

about us

Enter the world of Ubbi where innovative products are designed and created with parents and children in mind. Under the Ubbi name, you will find unique, quality products that are easy to use, helping to simplify parents' lives while keeping babies as happy and safe as can be.

Thanks to its award-winning can of steel, Ubbi is now a recognized brand worldwide. The Ubbi diaper pail is renowned for its ability to achieve maximum odor control and appreciated for offering the convenience and value of utilizing any standard trash bag or reusable cloth liner, a breakthrough in the diaper disposal market. With the same customer focused philosophy and

innovative design capabilities, the Ubbi brand has expanded its signature diapering selection and extended into the bath and feeding categories. A wide range of Ubbi branded products is now available for today's modern parents who are looking for stylish and functional baby essentials.

From concept to final creation, the Ubbi team works together every step of the way to bring the best in design and value. The input of every member of the team is taken into account in the development of the Ubbi products, but consumer input is the most important as customer satisfaction is our primary goal.

The Ubbi logo is centered on the right side of the page. It features the word "ubbi" in a lowercase, rounded, sans-serif font. The letter "u" is stylized with two dots above it, resembling a smile. To the right of the "i" is a registered trademark symbol (®). The background of the entire page is a repeating pattern of light blue circles and smile-like shapes, some of which are larger and more prominent than others, creating a playful and bubbly atmosphere.

diaper pail

diaper pail

The Ubbi diaper pail is made of powder-coated steel to achieve maximum odor control. It is equipped with rubber seals that are strategically designed to lock in odors as well as a sliding lid that minimizes air disruption, keeping the smell inside the pail. To meet the needs of today's eco-conscious parents, this award-winning nursery essential offers the convenience and value of utilizing any standard trash bag or reusable cloth liner. This feature makes it the easiest disposal system to load, use, empty and clean. Offering a modern and sophisticated twist to a once very industrial product, the sleek Ubbi diaper pail includes a child-proof lock and is available in an array of 12 colors and 5 patterns. All the style and none of the smell — a promising solution for every nursery.

plastic bags

Although the Ubbi diaper pail does not require special refill bags, the Ubbi line does have an eco-friendly plastic bag option. Each box of purple 13-gallon liners is made of 20% recycled material. These eco-friendly plastic bags aren't a must, just a plus!

features:

- 13-gallon (49.2L) capacity
- contains 20% recycled material
- made for the Ubbi diaper pail (but will fit many others)-

cloth diaper pail liner

The Ubbi cloth liner is what eco-friendly parents need to store their cloth diapers. The TPU coated fabric material not only makes it resilient, but also water and odor resistant to prevent leakage and dripping. The Ubbi cloth liner has a 7-gallon capacity, which equals an average of 35 cloth diapers. It is equipped with a doorknob hanger and a practical drawstring closure for easy carrying. The Ubbi cloth liner is eco-friendly so, while it appears to be white in color, it is as green as can be.

features:

- 7-gallon (26.4L) capacity
- eco-friendly
- washable and reusable
- waterproof
- drawstring closure
- doorknob hanger
- odor resistant
- PVC free
